### ANTIPASTO PLATTER

Depending on the timing you may like to start with some Antipasto platters so everyone has something to eat before the class as the meal will be served the end of the class. The cost is \$15 per person.

### DRINKS

We have a full bar available so people can order drinks throughout the class and meal. We can also offer a drinks package including house bubbles, wine, beer and soft drinks for \$45 per person for 2 hours or \$55 person for 3 hours.

### DESSERT

If you would like to add dessert, we offer dessert platters from \$6 per head for a small mousse cake each or \$9 per head for a small mousse cake and macaron each.

Another fun and interactive option for dessert is our Panacotta Bar with a selection of sauces, purees, fruits, chocolates and toppings. We make everyone a Vanilla and then everyone gets to decorate their own with all the toppings. \$15 per person.
